\$12/unit
Botox Allergan Botox

Patients wanting fewer lines and wrinkles would benefit from injectables at R.E.N.E.W. MedSpa. Using Botox® our skilled physician injector smoothes forehead wrinkles, crows feet, and the "11's" in-between the brows

***Consultation is needed in order to determine the final price**

Hydrafacial Service Pricing & Information

HydraFacial Platinum

Regular Price \$325

The ultimate HydraFacial experience lasting 60- minutes. This treatment starts off with a detoxification process using the lymphatic drainage technique. This will help clear your sinuses and reduce facial puffiness. Next, you will experience the vortex technology of Hydrafacial through various stages that include deep cleans, gentle chemical peel, extractions, booster, and hydration using our super serums filled with antioxidants, peptides, and hyaluronic acids. This treatment allows you to personalize your service by selecting your choice of booster technology for your specific skincare concerns from antiaging, hyperpigmentation, to collagen production and more. The Platinum HydraFacial service also offers a customizable multi-color LED light therapy to help with antiaging, redness, acne, and more!

HydraFacial Deluxe

Regular Price \$250

The Deluxe HydraFacial is a 45- minute procedure that includes all of the essentials of a Signature (Express) HydraFacial while addressing specific skin concerns with the addition of HydraFacial's boosters. This treatment includes deep cleanse, gentle chemical peel, extractions, booster, and hydration using our super serums filled with antioxidants, peptides, and hyaluronic acids. The service also includes customizable multi-color LED light therapy.

HydraFacial Signature (Express treatment)

Regular Price \$199

The signature HydraFacial is a **30-minute** procedure that deeply cleanses, extracts, and hydrates the skin using our super serums filled with antioxidants, peptides, and hyaluronic acids.

HydraFacial Perk for Eye and/or Lip

Enhance your personalized treatment with a HydraFacial Perk for eyes and/or lips -HydraFacial Perk is the perfect complement that can be added to any HydraFacial treatment. The HydraFacial Perk allows for a gentle cleanse and a boost of hydration around the eyes or lips. Patients will also receive a 30-day take-home product to enhance their treatment and extend their results. The Perk treatment uses patented roller-flex technology to suction out dirt, oil, and dead skin cells.

HydraFacial Lip Perk

Regular Price \$60:

This is a revitalizing treatment that exfoliates, hydrates, and lightly plumps your lips. Patients will also receive a **30-day take-home product** to enhance their treatment and extend their results

HydraFacial Eye Perk

Regular Price \$60

Is a refreshing treatment that leaves the delicate skin around your eyes toned, firmed, and hydrated. Patients will also receive a **30 day take-home product** to enhance their treatment and extend their results

SkinPen Microneedling

Microneedling Single Treatment With Platelet Rich Plasma (PRP)

Regular Pricing: \$600

Give your skin the collagen boost it deserves with our SkinPen® microneedling treatment. SkinPen is the only FDA-approved microneedling device on the market. Performed by our medical providers, microneedling is safe using your own body's natural repair process.

We pair SkinPen microneedling with platelet-rich plasma treatment, also known as PRP treatment **Microneedling Single Treatment Without Platelet Rich Plasma (PRP)**

Regular Pricing: \$350

Give your skin the collagen boost it deserves with our SkinPen® microneedling treatment. SkinPen is the only FDA-approved microneedling device on the market. Performed by our medical providers, microneedling is safe using your own body's natural repair process.

SkinPen uses microneedling, a process that uses tiny needles to create microscopic punctures in your skin to trigger the wound healing process in your body.

***Add-on a Neck and Decollete to a Microneedling with PRP Facial treatment:**

Regular price \$300

***Add-on a Neck and Decollete to a Microneedling without PRP Facial treatment:**

Regular price \$250
